

Berco Undercarriage

All weather dozers track rollers

Description

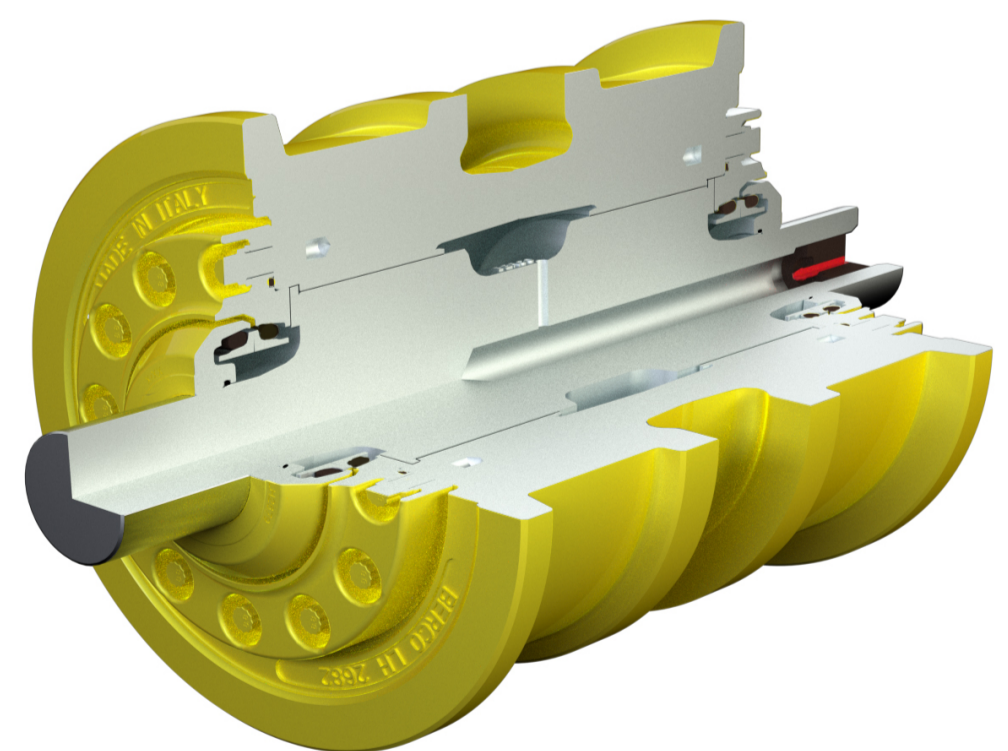

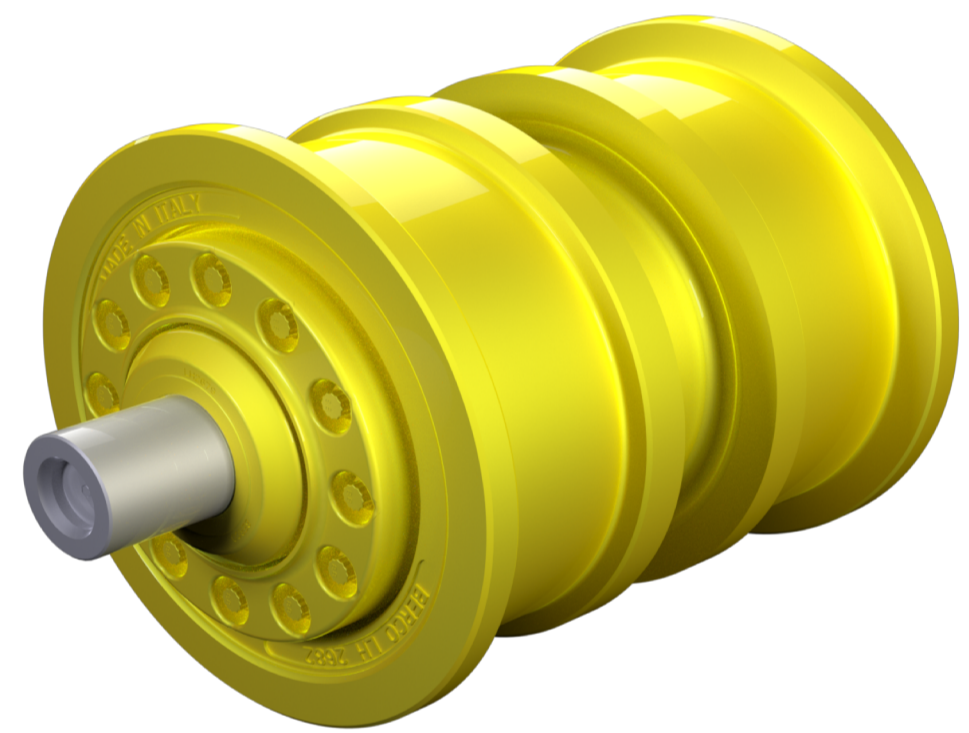

Berco offers you a simplified and optimized range of rollers for dozers ranging from 40 to 100 tons, working at high and low temperatures. A unique solution applicable for an extended temperature range.

Features

- New improved seals
- New compound rubber ring
- New synthetic lubricant, proven oil to rubber compatibility
- Extended temperature range from -45°C to +50°C

Advantages

- Maximum reliability in all the temperature ranges
- Perfect interchangeability with original products
- One roller configuration offers simplified stock management

New PN Description Models

Berco PN	Description	Model				
CR2798A	Track Roller Ass'y, Single Flange, With Hub, Standard	D8H	D8K	PR751	583H	583K
CR2787A	Track Roller Ass'y, Double Flange, With Hub, Standard	D8H	D8K	PR751	583H	583K
CR4528F	Track Roller Without Brackets, Single Flange, Standard	D8L	D8R-N-T	578	583R	587T
CR6833C	Track Roller Without Brackets, Double Flange, Standard	D8L	D8R-N-T	578	583R	587T
LH1794C	Track Roller Without Brackets, Single Flange, Standard	PR752	1050C	1050J	RL52	
LH2216A	Track Roller Without Brackets, Double Flange, Standard	PR752	1050C	1050J	RL52	
FT4342B	Track Roller Ass'y, Single Flange, With Locked Flanges, Standard	D350				
FT4343B	Track Roller Ass'y, Double Flange, With Locked Flanges, Standard	D350				
CR4291B	Track Roller Ass'y, Single Flange, With Hub, Standard	D9G	D9H	594	594H	
CR4292B	Track Roller Ass'y, Double Flange, With Hub, Standard	D9G	D9H	594	594H	
CR4234C	Track Roller Without Brackets, Single Flange, Standard	D9L	589			
CR3756C	Track Roller Without Brackets, Double Flange, Standard	D9L	589			
CR4672E	Track Roller Without Brackets, Single Flange, Standard	D9R-N-T	PR764			
CR4673E	Track Roller Without Brackets, Double Flange, Standard	D9R-N-T	PR764			
LH2734A	Track Roller Without Brackets, Single Flange, Standard	PR764 HD				
LH2735A	Track Roller Without Brackets, Double Flange, Standard	PR764 HD				
CR6881C	Track Roller Without Brackets, Single Flange, Standard	D10R-N-T	PR766	SD42-3		
CR6884C	Track Roller Without Brackets, Double Flange, Standard	D10R-N-T	PR766	SD42-3
